Category groupings of columns: Basic Functions · Select · Edit · Lettering · Settings for Lettering · Monogram · Sew Sequence.

With the BERNINA Cloud Service, designs can be edited and saved using mobile devices, without having to have the Toolbox installed on the device. Only Cloud-marked functions can be run in the BERNINA Cloud.

Different Text Boxes are available to reshape letterings.

For own creations select and edit individual objects or letters.

Monograms can be decorated with frames and ornaments.

"Toolbox Software is really the bee's knees for embroidery."
LIZZY HOUSE, TEXTILE ARTIST

Simply go to **bernina.com/toolbox-trial**, download the FREE trial version on your PC or Mac, and get started. Choose the modules that are right for you or get all the functions with the package version.

Add and Edit Lettering

Lettering Basic

Tt
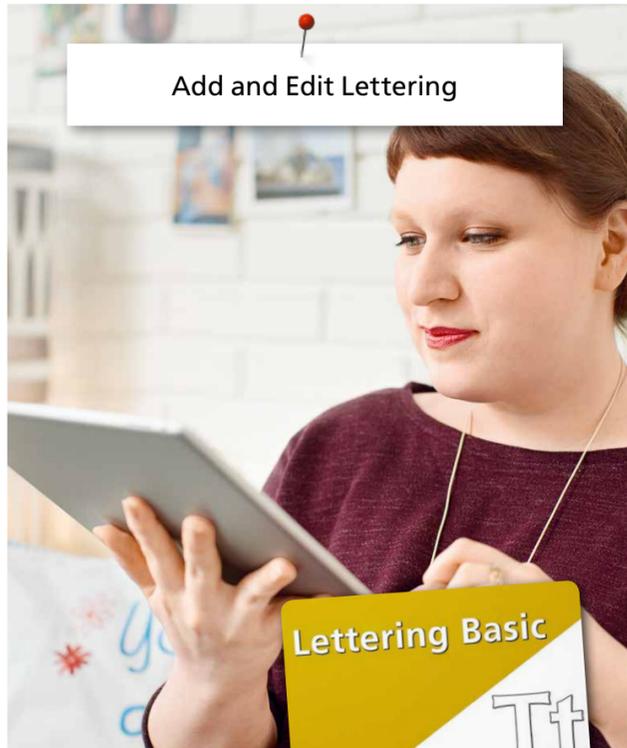

Love exploring all you can create with embroidery? Then Lettering Basic is for you. The Lettering Basic module makes it possible to combine embroidery designs and fonts. Any number of designs can be combined quickly and easily with the 20 integrated fonts. The 6 text shapes make it possible to place text straight, vertically, in an arch, or in a circle. Rotate, enlarge, reduce individual letters, or even move them to a different position. Included are 20 embroidery alphabets and 100 embroidery designs from the BERNINA cloud.

Modify and Design Lettering

Lettering

Tt
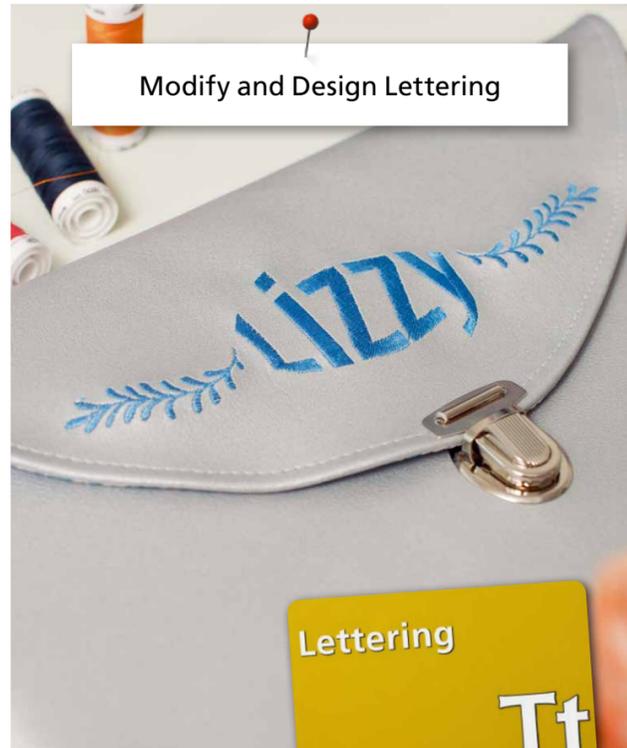

Give your creativity free rein! The Lettering module offers a large selection of 100 fonts, including 5 two-tone fonts, 6 text shapes, and text boxes used to embellish the lettering. Create insignias or other custom designs. Choose from 200 embroidery motifs available from the BERNINA cloud.

Edit Embroidery Designs
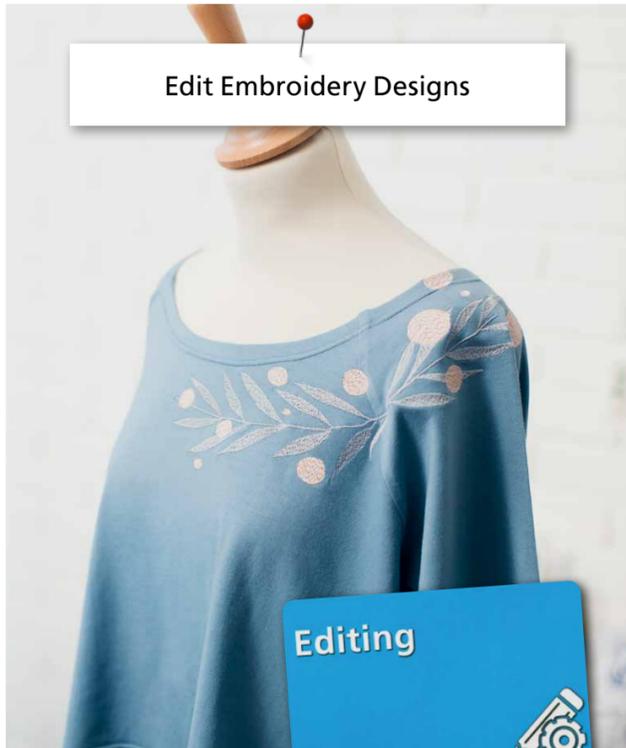

Editing

Do you love creating something new from existing embroidery designs? The Editing module lets you combine multiple embroidery designs and edit individual elements, separately or combined, from one design. Whether you want to change colors or rearrange, combine, duplicate, group, mirror, skew, enlarge, or reduce – everything is possible. Create entirely new motifs. The Editing module includes 100 embroidery designs, individually selected from the BERNINA cloud.

Personalization

Monogramming

ABC
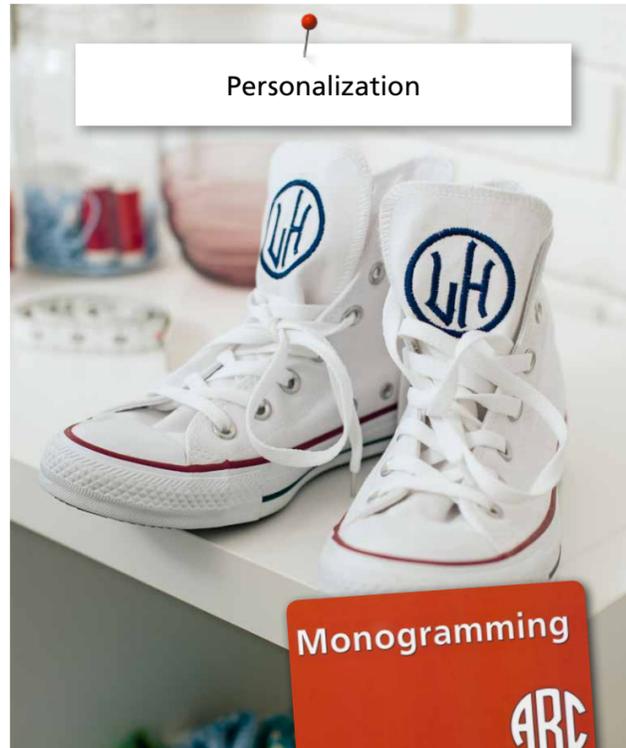

Personalize items such as clothing, hand towels, or napkins with a wide range of options. The Monogramming module offers 15 specially created Monogram fonts plus 10 additional fonts, making it possible to create the smallest monograms. All of these fonts can be combined as 1 to 3 letter monograms with over 60 monogram decorations. 100 embroidery designs are also available from the BERNINA cloud.

All in One!

Editing / Lettering / Monogramming

Tt ABC

Get all of the functions the BERNINA Toolbox has to offer with the bundle. It includes all the functions and motifs from all the individual modules. Choose 600 designs from the BERNINA cloud and edit them on your computer with the Toolbox software or work directly in the cloud wherever and whenever you like. Now anything is possible.

"BERNINA Toolbox Software – all you need for your embroidery success."

LIZZY HOUSE

Toolbox – the new, easy-to-learn, and easy-to-use BERNINA embroidery software offering more flexibility than ever before. Toolbox is made up of separate, combinable modules that are also available as one complete package.

Choose a design to suit your personal taste from a wide variety of integrated embroidery designs available from the BERNINA cloud. Editing embroidery designs is also possible in the cloud, allowing you to implement your creative ideas wherever you are on your tablet.

Try BERNINA Toolbox FREE! Simply download the 30-day full trial version from bernina.com/toolbox-trial. Flexible embroidery for everyone has never been so easy. BERNINA – made to create.
